All good. Steve Kemp, Region 7 lead for Omaha Lead Smelter, has his supervisor's approval to share their experiences with the clean up. Based on Steve's availability and need to prep, we are aiming for a webinar format for the September CAG meeting—not this Thursday or Aug 20<sup>th</sup>.

Just talked w/ Su Patel and agreed that she can convey this to Barbara and to the participants at the meeting on the 13<sup>th</sup>.

Thanks for the clarification.

Please also keep Tom in the loop in the future if you all can (I'm headed out on travel shortly for the rest of the week).

Thanks!

No one from DTSC reached out to me. My understanding was that the Thursday session was about the sampling data. I have to be in B'field on Friday and Derrick Alatorre from south coast said no phone line would be available so I figured I'd miss it. I'll call Ana first thing tomorrow to see what they need.
